## 2009 YEAR PLAN: Called to Care

### Outline

The strategic plan for ministry in 2009 is based on the call to care. Recognizing that the financial needs of the students are overwhelming, the friends shall first build a foundation that shall establish a basis for ministry. This shall by and large be ministry by action and service in the course of the year.

### Priorities

The needs as identified remain the same. The areas of focus shall be:

1. Build up the students' spiritual lives
2. Build up the students' academic foundations
3. Address some of the students' basic needs
4. Identify opportunities for the students to advance in life.
